

Spring is here!

April has brought another circuit breaker closure. We have our fingers crossed that on April 19, Dr. Bonnie will reopen BC and we can get back to art in the barn. If we cannot meet indoors, we will look at options of meeting outdoors as the weather warms.

Thanks to the maintenance committee, the Spring Cleaning of the Barn is complete. It smells wonderful, windows are clear, and the spiders are gone. It is safe to look up now.

Coming Soon: The Program Committee is working with musicians and will be presenting music for your enjoyment when we are safe to gather again.

We have been working hard on grants and I think you will be pleasantly surprised at the new additions to the Red Barn when we reopen. Some of the new items will be Table easels, tables, refrigerator, tankless hot water heater and a coffee machine.

★ **The Red Barn is hosting a Virtual Exhibit of Art that Represents Sicamous and Area. Check out our website for more information and to see everyone's art. If you submit your art you will be in a draw for a \$100 gift card. You have until April 30 so send your entry to info@eaglevalleyartscouncil.com**
